Apologies were received and accepted from Councillors Cutts and Elliott.

**2 Declarations of interest in any items on this Agenda:**

There were no declarations of interest

**3 To discuss whether to pursue the application for the public footpath between Barkwith Road and Panton Road via Skirbeck Farm**

A letter had been received from Alison Bean at Lincolnshire County Council requesting a decision from the Parish Council as to whether the Council wanted to support the application for the footpath between Barkwith Road and Panton Road via Skirbeck Farm.

All the available information had been circulated to Councillors prior to the meeting to enable them to make an informed decision. Despite the strong feeling of the meeting that this path had existed originally, following consideration of the evidence available it was reluctantly decided to withdraw the application for this route as it was agreed that there was little chance of success. The possibility of arranging discussions with local landowners regarding permissive footpaths was also discussed. **Action: Clerk to prepare a letter for Lincolnshire County Council.**

Date of next meeting: 10 September 2015

Meeting closed at 8.05 pm.

Signed:

Chairman
